(i) His Conduct of the Amildar towards the Sheristadar when he had an attack of plague; etc.

This is satisfactorily explained by the Amildar and no further enquiry is necessary.

flag W. (15) In these cases, the Amildar's explanation is not quite convincing. These matters are capable of proper verification. When a responsible Officer of Govt, like the Asst Surgeon, accuses publicly an equally responsible or even more responsible Officer like the Amildar, of weak foibles in the discharge of his duties, the statement should not, in my humble opinion, go unchallenged, and the mere denial by the other Officer does not end the affair. To restore the prestige of Govt., and inspire public confidence, it is necessary that the accuser should be called upon to prove the serious allegations, or else to take the legal consequences if he fails. The various faults of the Amildar are not questioned in this Case. No further enquiry appears necessary in this Connection.

The Amildar sent for his typewriter, got the petition written, and even sent it to him for signature.

(17) In this matter, the Amildar's explanation fully meets the allegations. In view of the strained relationship between Basappa & the Amildar, the above allegations are quite improbable. Basappa would have been the last person to be approached by

Serial No. 40

The charges against Mr D. Venkataramma are contained in the statements of Mr Rajagopala Mudaliyar assistant Surgeon and Doddabasappa. (Vide p 77-84, 110-115 of the Vernacular records)

41 They are 1) that he allowed five encroachments on public lands, 2) that he unauthorisedly collected money from Patels and Shanbhogues for repairing a temple at Kadabalu, 3) that he caused the compulsory evacuation of Kunki, and his distribution of the cleared portion among the Lingayats, and 4) that he caused petitions to be written against the assistant Surgeon.

42 As to the allegations of Doddabasappa, they do not seem to have any value, as most of his statements are hearsay, and as there is nothing to connect the amildar with the type writer. His statements do not amount to any evidence against Mr Venkataramma, and have to be completely left out of account.

43 As regards the alleged encroachments, the Municipal Council and the Deputy Commissioner have held that there was no encroachment in 3 out of the 5 cases mentioned by the assistant Surgeon. The statements of the assistant Surgeon with regard to these cannot be held to be correct.

44 The Deputy Commissioner reports that there has been an encroachment in the other two cases of Rachodappa and Dungaji. In the case of Dungaji, Mr D. Venkataramma denies having

of Mr Duffedar Dungoji, there is no evidence to show that
the Amildar authorised him to occupy the land.
Probably the Duffedar may have set up this plea
to support his own encroachment. The absence of a
written order or license seems very significant.
on the strength
of this mere uncorroborated statement,
it seems somewhat unsafe to hold that Mr. D. Venkata-
ramia permitted the encroachment.

45 In regard to the encroachment by Rachotaji,
the members of the present Municipal Council have held
that there is no encroachment, though the resolution
of the previous Council was otherwise. The opinion of the
President of the Municipal Council is "that it is not
possible to state with any degree of certainty whether
there was any encroachment or not." The Amildar
explains that he satisfied himself with reference to the
title deeds that the land permitted to be built upon was
not ~~Municipal~~ land. The previous Council on the basis of the
resolution on said Shaw received Rs 25-9-4. But this
does not seem to be the evidence against the Amildar
to show that he permitted the encroachment.

46 The report of the Deputy Commissioner
does not touch upon the other allegations referred to
in the statement of Mr Rajagopal Mudaliyar.

47 On a careful consideration, it appears
that no case has been made out against the

48 Even as regard the encroachments in the case of Rachetappa and Durgappa it is not stated that they were permitted by the Amildar through any improper motives. The Dy Commr states that when he inspected Davangere on the 18th Oct 1913 he observed several other encroachments and such acts are very common specially in the case of a growing town. There is no doubt that Mr Rajagopala Mudaliar was greatly influenced by his personal feelings in the allegations he made against Mr Venkataramma and as he has already been reprimanded the correspondence may, I think, be recorded

The Secretary to the Government of

SIR,

With reference to your letter No.6889/Med.47-13 dated the 12th January 1914 calling for a full report on the allegations made by Mr. C.Rajagopala Mudaliar, Assistant Surgeon against Mr. T.Venkataramiah, Amildar, I have the honor to forward herewith copies of letters Nos. 81 and 141 dated the 1st and 31st August 1914 respectively together with ~~its~~ the enclosures in original from the Deputy Commissioner, Chitaldrug District, submitting a full report in the matter.

2. Regarding the allegations made by Mr. Rajagopala Mudaliar to the effect that the Amildar unauthorisedly permitted certain encroachments on Municipal property, the Deputy Commissioner is of opinion that (1) Tirukappanamatada Shadaksharappa and Panchaksharappa and (2) Samanur Nagappa have not made any encroachment and I agree with him.

3. The Deputy Commissioner states that the allegations of the Assistant Surgeon as regards the encroachment by Rachettappa and Duffedar Durgoji are well-founded and I agree with him there too.

4. The last charge that an encroachment was permitted by the Amildar in Chowkipet may be taken as not proved. A copy of the Deputy Commissioner's letter No. 194 dated the 8th

October 1914 together with its enclosures in original submitting a copy of the Municipal resolution and the records relating to this case are also forwarded herewith.

Encl. Med 47-13 Sl:6

Letter No. 81 dated the 1st August 1914 from the Deputy Commissioner Chitaldrug District to the Revenue Commissioner in Mysore.

With reference to your memo No. 9195 dated 19th January 1914 forwarding copy of letter No. 6889/Med.47-13 dated 12th January 1914 from the Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Departments, in the matter of certain encroachments on Government and Municipal lands in Davangere town, alleged to have been unauthorizedly permitted by Mr. T.Venkataramiah when he was Amildar-Vice President there etc., I have the honor to state that notices were issued to both Mr. Venkataramiah and Doctor Rajagopala Mudaliar to appear before me at Davangere on the 24th of July 1914. In compliance with the above, Doctor Rajagopal appeared while Mr. T.Venkataramiah did not attend but stated in his letter dated 13th instant (which is enclosed herein in original) that he might be directed to give his explanation on the records connected with the said cases if it was found that the same was necessary.

2. I inspected the places said to have been encroached upon with Doctor Rajagopal and the Vice President on the morning of the 25th July 1914. The statement giving the purport of the resolutions of the Davangere municipal council in the matter of the several encroachments referred to by Doctor Rajagopal which had been received with letter No. 569 dated 14th May 1914 from the President and which is sent herewith in original was read over to him. But he stated that with regard to the encroachments he still adhered to the statement made by him before Mr.T.Rayaloo Chetty on 13th February 1913 and that he had nothing more to say in the matter.

3. It will be seen from the statement giving an abstract of the resolution of the municipal council, that there was no encroachment in the case of items Nos. 1 and 2, the item No. 3 having been compounded and that with regard to the encroachment in Chowkipet the description being vague, they were not able to state at this distance of time what particular encroachment Doctor Rajagopal meant. But in

course of my inspection on the 25th July the portion said to have been encroached upon was pointed out. I have asked the President to place this subject at the next meeting of the municipal council and send me the copy of their resolution in the matter.

4. As regards item No.5 "unauthorized permission given to Dafedar Durgoji to occupy a portion of the area reserved for municipal rubbish" it was resolved by the council that the person should be evicted from the khana and the same added on to the area reserved for storing municipal rubbish.

5. Durgoji on being questioned in the matter, made a statement before me on 26th July 1914 that it was at his request Mr. T.Venkata ramiah permitted him orally to occupy temporarily the site in question. Durgoji further stated that some land belonging to him (Durgoji) had been taken over by the municipality some years ago and that he was not paid any compensation or granted any land in lieu thereof.

6. As regards the allegations made by Doddabasappa, he was also enquired into. He stated that he also adhered to the statement already made by him before Mr. T.Rayaloo Chetty and that he had nothing more to say in the matter. He further stated that there was no ill-feeling existing between him and Mr. T.Venkataramiah. As Mr. Venkataramiah has denied the correctness of the statement of Doddabasappa and as Doddabasappa's statement is mainly hearsay, I prefer to express no opinion in the matter.

7. The powers and duties of the municipal council in regard to encroachments on public streets and open spaces are contained in Sections 92-98 and sections 113 abd 122 of the Municipal Regulation. The Municipal council have, by their resolutions, found that, as regards item No. 5, the Vice President Mr. Venkataramiah had allowed Durgoji to occupy the municipal land unauthorizedly, that as regards item No. 3 the Municipal council condoned the encroachment on payment of upset price and that as regards the other items (except as regards Chowkipet) there has been no encroachment. Thus it is clear that the allegations of Doctor Rajagopal Mudaliar are well-founded

as regard two items.

8. The resolution of the Davangere municipal council as regards the encroachment in Chowkipet will be submitted to Government on receipt.

9. I may add that while I inspected Davangere on the 28th October 1913, certain encroachments on municipal sites were observed by me and brought to the notice of the municipal council. The Municipal council have taken prompt steps in the matter of evicting some and getting mutchalikas from others. As the Government are aware, managing committees have only recently been constituted in certain Regulation Municipalities although the Regulation had been in force for some years.

In Davangere there is an additional difficulty in that the Vice President was unable to devote sufficient time to the suepervision of municipal affairs. In was in view of this fact that the Governmant recently sanctioned the appointment of a Secretary to the Council.

10. The enclosures received with the letter under reply are herewith returned.

Letter No. 141 dated the 31st August 1914 from the Deputy Commissioner Chitaldrug District to the Revenue Commissioner in Mysore.

In continuation of my letter No. 81 dated 30th July 1914, I have the honor to state that Mr. Venkataramiah, Amildar appeared before me at Chitaldrug on 27th August 1914 and gave his statement in the matter He denies all knowledge of the unauthorized occupation by Daffedar Durgoji of a portion of the site reserved for the collection of the municipal rubbish.

2. As regards item No. 3 referred to by the Council (encroachment by Rachoteppa) he states that there was no encroachment in this case as he had satisfied himself before the license was granted to Rachoteppa that the site applied for was not municipal land and that he is ignorant of the circumstances under which the person referred to above was made to pay Rs. 29-8-4 as site value to the municipality.

3. The entire records received with your memo No. 2061 dated 15th August 1914 together with the statement of Mr.T.Venkataramiah are herewith forwarded.

As regards the encroachment made by Durgajee the Amildar denies that he gave the latter any permission to build on the land and beyond Durgajee's Statement that the Amildar had orally authorized him to do so, there is no other evidence to Connect Mr. Venkataramaiya with the encroachment. The Correspondence will be recorded, as there is nothing to show that the Amildar acted in any of the cases from improper motives or in wilful disobedience of rules.
